

Mid-Semester Report, Autumn 2012

Please note this report represents an early and initial assessment only. You will receive a more comprehensive assessment of your child's progress in December. It is strongly advised that where students are not yet meeting expectations, the parent meet with the subject teachers concerned at the Parent Teacher Meeting on Friday, November 2, 2012. Subject teachers will be able to give more information and guidance on where and how improvement can be made.

Homeroom Teacher Comment

Ankoo is an engaging and goal-directed student. He is extremely respectful of others and has the ability to earn other's respect and admiration as well. He is willing to take part in all classroom activities. What sets him apart are his leadership skills. Ankoo is a natural leader; calm, coordinated, attentive and persistent. He is actively involved in school and makes excellent efforts at finding a balance between the academic and non-academic growth. Ankoo's excellent attitude is reflected in the work he does.
