OIS Grade Descriptors for Term Marks:

A+ and A

The student demonstrates a consistent and thorough understanding of the required knowledge and skills, and has the ability to apply the knowledge and skills without error in a variety of situations. The student regularly shows evidence of analysis, synthesis and evaluation where appropriate. The student consistently demonstrates originality and insight, and excels in formative and summative assignments. (The student meets and exceeds all required course learning standards.)

B+ and B

The student demonstrates a consistent and thorough understanding of the required knowledge and skills, and has the ability to apply the knowledge and skills with few errors in a variety of situations. The student generally shows evidence of analysis, synthesis and evaluation where appropriate, and occasionally demonstrates originality and insight and does well on most formative and summative assignments. (The student meets all course standards and excels at some of the learning standards.)

C+ and C

The student has a general understanding of the required knowledge and skills, and has some ability to apply the knowledge and skills effectively in normal situations. There is occasional evidence of the skills of analysis, synthesis and evaluation. The student completes most of the formative and summative assessments. (The student meets all course learning standards.)

D+ and D

The student has limited understanding of the required knowledge and skills and is only able to apply the knowledge and skills fully in normally situations with extensive support. The student has difficulty completing formative and summative assessments. (The student does not meet most of the course learning standards.)

F

The student does not understand the required knowledge and skills, and is unable to apply them fully in normal situations, even with support. The student is not able to complete formative and summative assessments. (The student does not meet the course learning standards)

Subject	Teacher	Teacher Comment
---------	---------	-----------------

Biology	Ms. Linda Mascarenhas	Niharika continued to have the same work ethic as in the first semester. She diligently set her mind to what was assigned and made progress in both lab analysis as well as IGCSE-style testing. While she can still advance in these areas, she has the necessary skills to do so. Good luck in tenth grade Niharika!
Chemistry	Mr. Parag Oltikar	Niharika demonstrates a consistent and thorough understanding of the required knowledge and skills, and has the ability to apply the knowledge and skills without error in a variety of situations. She has a good attitude towards work, and always hands in assignments on time. Niharika have mature attitude towards all aspects of school. She shows keen interest and participates well in all school experiences. She has a strong desire to succeed and works hard at it. Niharika is a wonderful student, and I'm happy to have her in my class.
Drama	Ms. Sara OToole	Niharika has made good progress this term in Drama class. She put in solid effort with her scene and monologue; the finished products were well done overall. During our Performance Integration unit, I was pleased with Niharika's work in developing her technical theatre skills. I was also pleased with her efforts during our study of Devising, as she took part in all areas of the creative process and worked well with her peers. Next year, we will continue our focus on scenes, monologues, and devised work in preparation for the exam. I look forward to Niharika's continued progress and positive contributions in class.
English	Ms. Nandini Shah	Niharika epitomises the model student in her work ethics and attitude towards her studies. She participates enthusiastically in class and communicates her ideas with clarity and confidence. She is a highly motivated student and her assignments are always completed to a high standard. She has excellent reading comprehension skills and her written assignments display a sophisticated understanding of the texts read. She has well-developed creative and analytical writing skills and uses a wide range of vocabulary to express herself.
Extended Math	Mr. Joy Farhat	Niharika has worked hard to improve her skills this year. She demonstrates a consistent and thorough understanding of the required knowledge and skills, and has the ability to apply the knowledge and skills with few errors in a variety of situations. She generally shows evidence of analysis, synthesis and evaluation where appropriate. Niharika is a sweet and cooperative child. She is attentive in class and stays on task. It has been wonderful having her in my room. I wish her all the best for next year.
History	Ms. Brinda Anandh	Niharika has been working consistently well throughout the year. She has participated enthusiastically and made some excellent contributions to class discussions. Niharika has shown promise in the necessary written skills and her effort is a model for others to follow. She is capable of making the right effort and produces work of a good standard making a firm foundation for next year.
Physical Education	Mr. Gopal Shelokar	Niharika has participated in Cricket, Athletics, Football and Volleyball. Niharika has displayed a moderate level of skill in PE and has shown an ability to occasionally apply these skills in game situations. She has some subject knowledge in a variety of sports. She sometimes tries to learn and develop and her PE Uniform is mostly correct. Niharika has ability to work in teams, small groups, and individually, but would benefit from more active involvement in lessons.
Physics	Ms. Jagruti Joshi	Niharika is an enthusiastic learner with keen interest in Physics. She demonstrated excellent presentation skills with thorough research and in-depth understanding. She performed labs with high dedication and systematic conclusion. She consistently put in great effort in presenting her work well demonstrating her pursuit of perfection. Niharika communicates logically and concisely using appropriate terminology and conventions. She consistently demonstrates originality and insight and excels in all required course learning standards.
Spanish	Ms. Karishma Narwani	Niharika continues to be a very active participant in the class activities and has clearly extended her language skills. She is one of the most able students in Spanish and her understanding as well as her interest in Spanish is commendable. Besides she has excellent language skills, comprehending new texts and grammar units with ease, allowing her to complete assignments and tasks accordingly. I have enjoyed working with such a dedicated and focused student and I wish Niharika all the best for her next academic year.
