

Mid-Semester Report, March 2013

It is strongly advised that where students are getting a 'D' or 'F' in a class, a parent meet with the subject teachers concerned at the Parent Teacher Meeting on Friday, March 22, 2013. Subject teachers will be able to give more information and guidance on where and how improvement can be made.

STUDENT'S NAME: **Ruturaj, Kadam**

Grade: **09**

Homeroom Teacher: **Ms. Susan Ansari**

OIS Grade Band:

Letter	Word Descriptor
A+	Outstanding
A	Excellent
B+	Very Good
B	Good
C+	Satisfactory
C	Adequate
D+	Below Average
D	Poor
F	Fail

OIS Grade Descriptors for Term Marks:

A+ and A

The student demonstrates a consistent and thorough understanding of the required knowledge and skills, and has the ability to apply the knowledge and skills without error in a variety of situations. The student regularly shows evidence of analysis, synthesis and evaluation where appropriate. The student consistently demonstrates originality and insight, and excels in formative and summative assignments. (The student meets and exceeds all required course learning standards.)

B+ and B

The student demonstrates a consistent and thorough understanding of the required knowledge and skills, and has the ability to apply the knowledge and skills with few errors in a variety of situations. The student generally shows evidence of analysis, synthesis and evaluation where appropriate, and occasionally demonstrates originality and insight and does well on most formative and summative assignments. (The student meets all course standards and excels at some of the learning standards.)

C+ and C

The student has a general understanding of the required knowledge and skills, and has some ability to apply the knowledge and skills effectively in normal situations. There is occasional evidence of the skills of analysis, synthesis and evaluation. The student completes most of the formative and summative assessments. (The student meets all course learning standards.)

D+ and D

The student has limited understanding of the required knowledge and skills and is only able to apply the knowledge and skills fully in normally situations with extensive support. The student has difficulty completing formative and summative assessments. (The student does not meet most of the course learning standards.)

F

The student does not understand the required knowledge and skills, and is unable to apply them fully in normal situations, even with support. The student is not able to complete formative and summative assessments. (The student does not meet the course learning standards)
