- **The DP2 Results MBIS Community is proud of.....!!**
- **Important Dates for the DP Students – September 2013**

Whole School:

- **News on the 'Take Back the Night' Event in April 2013**

From the Director :

Note from Mr. Michael Thompson

I should like to inform you that the Principal of Lower School, Miss Glynis Bebb has tendered her resignation which will be effective from 31st July, 2014. In her resignation letter Ms. Bebb was written :

"I have been very fortunate to have such a challenging, exciting and rewarding job for the last thirteen years and thank you and the staff of MBIS for creating such a good work place.

Although it is a wrench to go I am looking forward to retiring while I am still fit and active enough to enjoy it and re-learning how to live in England!

I wish MBIS every success in the future and I am sure it is one of the very best international IB schools in India."

I have reluctantly accepted Miss Bebb's resignation and thanked her for resigning with the best intentions for the school. It will allow for the opportunity to serve the best possible successor who will lead the Lower School through Accreditation in 2015 and in the future.

I'm sure I speak on behalf of you all when I say how much we are looking forward to working and celebrating Miss Bebb's time at MBIS over the next ten months.

- *Michael Thompson*
Director

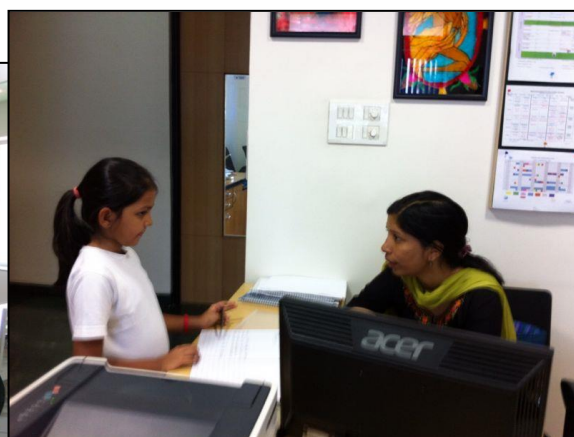

Lower School : Primary Years Programme

PYP2

Communication in School

For their unit of inquiry - How we express ourselves, the children of PYP2 went around the school to see the communication systems used. They visited the cafeteria, the administration block and the media centre and interviewed some staff members to inquire into what they do and the communication systems they use to communicate.

Monica Bhisey
PYP Class Teacher

PYP4W – This Week

This week we learned how to create graphs on Excel for our Data Handling maths unit. All students now have a Khan Academy account as well as an Edmodo account. We collaborated in small groups to create our own Learner Profile displays.

We are also revising dictionary skills to locate interesting nouns, adjectives, verbs and adverbs. We also interviewed one another about our beliefs and how we behave according to those beliefs.

Garrett Walsh
(PYP 4W Class Teacher)

Archana Karve
(PYP 4W Teacher Assistant)

PYP 4

Thursday 29th August, 2013 - A trip to St. Patrick's Church

On Thursday the students of PYP 4R and PYP 4W visited the St Patrick's Cathedral to learn about Christian beliefs and how these beliefs affect the way we as people think and behave.

Along with learning about beliefs the students also had the opportunity to view stained glass paintings first hand. They admired the paintings and enjoyed viewing a few illustrations from the life of Jesus Christ.

The students were keen and had quite a few questions about the Christian faith that were answered by Father Wilfred. Two questions among the many asked were about the significance of the white dove in Christianity and why Jesus was crucified on the cross and what that meant?

They had many other questions and were told that they would get a chance to ask their questions in class. The trip ended on a high note with the students looking forward to the next trip that will be to the Mosque.

The PYP 4 Team

PYP 4R Class Essential Agreements

PYP 4R showed a lot of delight working in groups, discussing and reviewing class essential agreements that they all agreed on jointly.

The children investigated questions related to what they value the most as a learner and the responsibilities that are related to each of these values.

The students then prioritized the values and listed them from 1-10 based on their everyday learning and the importance of each.

The top 10 values listed by our class are Education/Learning, Teachers, Enthusiasm, Friendship, Time, Integrity, Peace, Hard work, Cooperation and Books. They have imprinted their hands on the sheet with these listed values as a pledge to try and observe these in their class every day.

Secondary School:

Diploma Programme

The DP2 Results MBIS Community is proud of.....!!

Congratulations to the class of 2013 that have done us proud with a result of 83%. A class of 25 diverse students and a wonderful mix of abilities, achieved the best results yet, and have set the bar at a high for the rest of the classes to follow.

We at MBIS are delighted with the hard work these students have put in, supported competently by the teachers and immensely by the parents. I would like to commend the class for accomplishing an average of 30 points. Amongst the 23 Diploma candidates 10 students succeeded in scoring above 30 points and the top ten scores are

**Luisa Nitzschke 37 points; Mayanka Mahendran 37 points; Anoushka Shah 36 points ;
Akiksha Chatterji 34 points; Siddarth Santoki 34 points; Antara Shankar 33 points;
Yohan Morris 32 points; Bart Vogelzang 32 points; Avani Gade 31 points; Zahaan Irani 31
points.**

In addition to this, six students of this class were awarded grade A in their Extended Essay, no mean feat indeed.

Thank you MBIS stakeholders for all the support.

News on the 'Take Back the Night' Event in April 2013

Aks Foundation would like to thank the students, teachers and parents of MBIS for participating in Take Back the Night in April of this year. With all the money that was raised three 24-7 crisis lines have been started to assist victims of domestic violence and sexual abuse.

The lines were launched on 15th August 2013 as an Independence Day special by Radio Mirchi. Thank you for

all your support. The crisis line numbers are- 8793088814/15/16.
