

Mercedes-Benz International School

3rd Sept. 2013

Dear parents

MYP1: Food & Farming Trip Navdanya, Maharashtra

Dates: Departing evening of 3rd – 7th March 2014.

Travel: School transport to/from the farm/village.

Cost: 15,150 Rupees

Exact pickup and drop off times from/at MBIS will be confirmed later; however you will need to drop your child at MBIS on 3rd March 2014 and collect your child from MBIS in afternoon of 7th March 2014. Children will not be able to use the regular bus transport to/from school as it would be impossible to fit the entire luggage on board!

A deposit of 5,000 Rupees should be paid by 13th September 2013. This is required to secure a place for your child on this trip. The balance of 10,150 Rupees should be paid by 31st January 2014. Alternatively you may pay the total amount on 13th September 2013. If you cancel your child participating on this trip no refund will be given. Kindly issue cheques payable to **Mercedes-Benz Education Academy**. Please complete the attached form and return to MYP Secretary Ms. Loretta Branganza.

Students must wear a clean school uniform while travelling on the bus and again for the return journey. Students may not take iPods/MP3 players, Gameboys or mobile phones. Students may take their camera however MBIS takes no responsibility for loss/damage. Any other expensive items and jewellery should not be taken on the trip.

If your child takes any medication please complete the attached form. All medicines should be labelled with instructions and given to the trip organizer on the 3rd March 2014.

Your child's luggage should be taken in one case or rucksack (not too large as your child has to carry it!). Children can bring snacks/sweets for the journey, along with any other stuff they might need.

Children should take appropriate clothing for this trip...a kit list will be issued in due course. Children can take spending money for any incidentals however opportunities to spend money will be very limited. Children will be responsible for looking after their own money.

Part of the aim of the field trips is for students to be independent and get used to being away from home. In this respect we request that parents do not contact the children or the centre unless in case of emergency. Ms. Bhide is contactable on the school mobile phone. A daily update and progress will be emailed to parents.

High expectations of behaviour from students are expected during the trip, and we expect students to behave in a responsible manner at all times.

A meeting will be held later this semester with more information for parents and participating students.

This trip promises to be a truly amazing adventurous experience for your child. If you have any queries regarding this trip please do not hesitate to contact me.

Kind regards

Ms. Debbie Coomber

Principal – Secondary School (IB Middle Years & Diploma Programmes)
