

Mercedes-Benz International School

3rd September 2013

Dear parents

MYP2&3: Field trip to Dehradun, Himalayas

Dates: Departing morning of 1st March 2014 from Pune Airport to Dehradun via Delhi.

Arriving back in Pune on evening of 6th March 2014

Travel: Aeroplane/coach

Cost: 33,650 Rupees

Exact pickup and drop off times from/at Pune Airport will be confirmed later. A deposit of 10,000 Rupees should be paid by 13th September 2013. This is required to secure a place for your child on this trip. The balance of 23,650 Rupees plus the relevant jungle safari fee should be paid by 31st January 2014. Alternatively you may pay the total amount on 13th September 2013. This enables us to go ahead and book flights with Jet Airways and secure low cost flights, which soar nearer the time of flying. If you cancel your child participating on this trip the only part of the fees that are refundable are from the airline for the air ticket less their admin costs and cancellation fees.

Kindly issue cheques payable to **Mercedes-Benz Education Academy**. Please complete the attached form and return to MYP Secretary Ms. Loretta Branganza.

Students must wear a clean school uniform while travelling on the plane and again for the return journey. Students may not take iPods/MP3 players, Gameboys or mobile phones. Students may take their camera however MBIS takes no responsibility for loss/damage. Any other expensive items and jewellery should not be taken on the trip.

If your child takes any medication please complete the attached form. All medicines should be labelled with clear instructions and given to the trip organizer on the 1st March 2014.

Your child's luggage should be taken in one rucksack (not too large as your child has to carry it!). Children can bring snacks/sweets for the journey, along with any other stuff they might need in a small rucksack/carry-on bag.

Children should take appropriate clothing for this trip...a kit list will be issued in due course. Children can take spending money for any incidentals however opportunities to spend money will be very limited. Children will be responsible for looking after their own money.

Part of the aim of the field trips is for students to be independent and get used to being away from home. In this respect we request that parents do not contact the children or the centre unless in case of emergency. The trip leader is contactable on the school mobile phone and details will be given nearer the time. A daily update and progress will be emailed to parents. High expectations of behaviour from students are expected during the trip, and we expect students to behave in a responsible manner at all times.

A meeting will be held later this semester with more information for parents and students. Please note that there will be no school for MYP2&3 students on Friday 7th March 2014.

This trip promises to be a truly amazing adventurous experience for your child. If you have any queries regarding this trip please do not hesitate to contact me.

Kind regards

Ms. Debbie Coomber - Principal – Secondary School (IB Middle Years & Diploma Programmes)
